SALT RIVER PROJECT

LOCATION:

Glendale &
Casa Grande, Arizona

The Salt River Project (SRP) Near Term Capacity Projects (NTC) each rated at 99 MW at two of its existing generating facilities. The two existing sites are Agua Fria and Desert Basin. Each NTC Site features two (2) General Electric LM6000PC Units complete with Inlet Air Filter, Evaporative Cooler and SCR/CO catalyst for emissions control (includes duct work, ammonia vaporization skid, tempering air fans and exhaust ducts), two (2) 100% Fuel Gas Compressors (Auga Fria only), one (1) natural gas conditioning skid, one (1) three winding Generator step-up transformer, one (1) Power Control Module, one (1) Balance of Plant (BOP) Power Distribution Center (PDC), UAT's and associated BOP equipment. ARB is performing the EPC construction of both facilities.

Founded in 1960, Primoris Services Corporation (Primoris) is the parent company of an array of vastly diversified infrastructure construction and engineering firms uniquely positioned to bid, design, innovate, build, and deliver in diverse end markets. Through its subsidiaries, Primoris provides a wide range of construction, fabrication, maintenance, and engineering services to major public utilities, petrochemical and energy companies, and municipalities. At Primoris, the health and safety of our employees is our top priority. Primoris is headquartered in Dallas and is a publicly traded company on NASDAQ under: PRIM.

ARB Industrial, a subsidiary of Primoris, provides a comprehensive range of services for industrial plants and facilities. ARB Industrial is experienced in power generation, renewable energy and energy storage, the refinery and chemical industries, water and wastewater, oil and gas, and alternative fuels. We are a leader in performing difficult fast track projects. Services include full EPC project delivery, turnkey construction, retrofits, upgrades, repairs, outages, and maintenance. ARB Industrial is headquartered in Lake Forest, California, and has other offices in Bakersfield, California, and Pittsburg, California.
