

L-2000 D BADLANDS

RIVERSIDE COUNTY, CALIFORNIA

LOCATION:
Riverside County, CA

Line 2000 is a 30" high pressure natural gas pipeline operating in the Southeast Desert Region. This hydro test consists of 7.76 miles of 30" HP pipeline, & two 30" MLV's as defined by So Cal Gas. This PSEP project included 12 separate test break locations. L-2000-D Badlands hydrotest project begins at the Beaumont Station & runs west through the Badlands terminating within the Moreno Valley Pressure Limiting Station. As part of this project, ARB Team members Mike Caldwell, Kevin Jones, & Crew were tasked with re-building access roads throughout the Badlands territory as well as building a complex engineered platform & cribbing system to be able to perform all necessary work at test break 21 located on a 102' span in the Badlands mountain area. ARB U performed all strength testing & provided all testing documentation for this project.

Founded in 1960, Primoris Services Corporation (Primoris) is the parent company of an array of vastly diversified infrastructure construction and engineering firms uniquely positioned to bid, design, innovate, build, and deliver in diverse end markets. Through its subsidiaries, Primoris provides a wide range of construction, fabrication, maintenance, and engineering services to major public utilities, petrochemical and energy companies, and municipalities. At Primoris, the health and safety of our employees is our top priority. Primoris is headquartered in Dallas and is a publicly traded company on NASDAQ under: PRIM.

ARB Underground, a subsidiary of Primoris, installs several types of underground structures including large-diameter transmission pipelines for natural gas, crude oil, petrochemical and petroleum products, natural gas distribution systems, water, sewer, drainage systems, high voltage power, and communications (fiber optics). Our quality of pipeline and related infrastructure construction is a major part of the foundation for the company's 60 plus year history. ARB Underground is headquartered in Lake Forest, California, and has multiple locations throughout the state of California.
