

LOCATION:

West Texas

Primoris Pipeline completed the construction of Spread 2 (104 miles of 24-inch), Spread 3 (79 miles of 24-inch), and Spread 1C (35 miles of 12-inch) of the Shin Oak Project in West Texas in 2019. These projects combined for over 1.2M safe man-hours, with peak manpower exceeding 800 employees.

Founded in 1960, Primoris Services Corporation (Primoris) is the parent company of an array of vastly diversified infrastructure construction and engineering firms uniquely positioned to bid, design, innovate, build, and deliver in diverse end markets. Through its subsidiaries, Primoris provides a wide range of construction, fabrication, maintenance, and engineering services to major public utilities, petrochemical and energy companies, and municipalities. At Primoris, the health and safety of our employees is our top priority. Primoris is headquartered in Dallas and is a publicly traded company on NASDAQ under: PRIM.

Acquired by Primoris Services Corporation in 2012, Primoris Pipeline is a non-union pipeline construction company offering a wide range of services throughout the United States. Primoris Pipeline specializes in the construction of small and large diameter pipelines for petroleum products, petrochemical, crude oil and natural gas transmission lines, and is headquartered in Rosharon, Texas.
